At first he didn't have much attention. I went on reading it and ended up enjoying the book. I like the way this book has been short but cute and specific. Plot: This book is about a boy named Darrell Mercer who Â is a young freshman boy. Darrell moved from Philadelphia to California because of his mother finding a job in which his brother works. Darrell was not very happy with the idea, because he knew he would be all alone at school without anyone helping him or protecting him as his friends in Philadelphia did. Especially with him who knew that Â is a very short and weak boy, and his uncle made sure he never forgot him. His first night in California was already Attracted a new bully, Tyray. Tyray saw him and made sure that he knew he had been the one who owned the freshman and that if he didn't like something, he would make sure he would fix it. Before leaving, he pushed and teased him. Luckily, he met a nice girl at the supermarket in the city named Amberlynn. He was also a freshman at Bluford High. There was no day when Tyray would embarrass him in front of the whole class or everyone in general. Then one day Tyray offered him a settlement saying that if he gave him $10 every Friday morning they wouldn't hurt him, but if he didn't pay, he wouldn't break his face in half. Poor Darrell hated giving his mother's money to that bully, but he also didn't want to be embarrassed or troubled, so he paid him off. Although he paid Tyray, he lived in fear. Every Thursday, Tyray reminded him in English or gym that he had to pay or learn the consequences. One day Darrell was tired of everything, so he was squared by his English teacher after he told him to go to him if he ever needed help with anything. When Darrell andÂ² in Room, he sat again and he didn't say something. His English teacher respected him. She told him she was like him when she was age . She gave him a book and told him to read him. Obviously, Darrell got angry because he was not asking for a book to read. He was looking for help. Darrell read the book during the thanksgiving break and end up appreciating it. Initially he was confused, but he shows him little by little during the school year. Darrell ended up joining wrestling thanks to the book, at first he hated him but continued to go because he did not want to â. More long he remained in the wrestling more noticed the change of him, the exercises became more easy for him and was becoming strong. One evening at the school dance, he finally had the courage to speak with Amberlynn after the way Tyray had embarrassed both. He had also noticed that he had become more high when they met for the first time, and had also earned 15 pounds. Of course, there was something bad in this. Tyray brought him to the bathroom and warned him to stay away from her by pushing him into the garbage bin. Darrell decided to leave dance before embarrasses again. Towards the end of the book Darrell won his second match and had the courage to stop paying Tyray. On Friday morning he was not in the usual place and went straight to his first hour of lessons, and for some reason he felt more alive than ever. Tyray saw him and told him that he had to pay him, otherwise he would have divided him to me. Of course, Darrell â ™ has listened. During lunch, Tyray embarrassed Darrell one last time hitting against him who did that Darrell would bring food everywhere. Darrell finally had enough. He started screaming him against him saying he was tired of him and how they are mistreated everyone. Obviously, Tyray was surprised but continued to provoke Darrell, which pushed Darrell to use the favorite wrestling move on him, who was the brace of his leg. The struggle move sent Tyray to the ground, which caused him to break the wrist. By making them go to the office of the â € Â ™. There tell your friends the truth and ciÂ² which had to pass through Darrell ends up crying with joy, anger, relief and shame. The school board chose not to suspend Darrell for what he had been through. Tyray Â was suspended for three days. After that, Darrell was finally able to walk the school without fear, he was proud of ciÂ² he had done and he felt more alive¹ than ever. Characters:Darrell: Main characterDarrell Â is a fifteen-year-old freshman, who Â is really small and short for her age. In Philadelphia he had friends who kept him safe. The father Â DarrellÂs had died when he was very young, so his mother must work for both of them. Since Â has enough money to support them, her brother has found her a job in California, which means they have to move. Since DarrellÂÂÂ is only a small, short boy without friends, he easily attracts Tyray to target him. Although Darrell Â is really scared, small and short, he has a lot of guts to show up at school every day, even if he terrified Fortunately, he made a new friend who was also new at that school. During the book, he changes once he reads, The Hatchet, a book that his English teacher suggested he read. He joins wrestling and goes to every single training, although he runs out after each training. At the end of the book, he finally had enough with Tyray, so he put an end to it all. Darrell Â gets in trouble, but eventually realizes that Â has changed. He felt stronger¹, grew taller¹, and finally made good friends. Tyray: Tyray Â is the freshman bully who wants everything his own way. If Â gets what Â, he makes sure that he and his friends solve the problem. Many people at Bluford High are terrified of him, especially Darrell. Tyray has a crush on Amberlynn, but as she realizes that she likes Darrell, she makes sure to embarrass them both, so they can stop talking to each other. Since his Â works, Â makes sure Darrell stays away from her. He gives money to other students and tells them he'll stop before all. Even if Darrell pays him, he still takes him for fun. Towards the end of the book, Darrell finally put him in place of him and broke his wrist. Setting: This book takes place in San Diego, California. Darrell was born and raised in Philadelphia, but moved to California because of her mother who gets a better job. Darrell is for the most in the Bluford High in the book. In the book, the temporal horizon is probably in the early 2000s Â Â Â Â â ™ S due to how they explain how they dress and how technology is used. Theme: This book has many themes, but what I see more is that people should have more confidence in themselves. When people start believing in themselves, they succeed. Then they finally get up alone. I see a drastic change in Darrell. I noticed how at the beginning he complained too much of him who moved, leaving all his childhood friends, and how he was already hating California. At the end of the book, he was more strong, more mature, and he realized that everything was part of life and had to only accept it. Recommendation: I would recommend this book to anyone in middle school. Anyone between the ages of 13 and 15 could read this book. The vocabulary is simple, as well as the reading level. Since it was an easy to read book, I would probably recommend this book to anyone who is afraid of speaking in a situation like this. ... more ... more
